

A resource for tomorrow's leaders, today

ManagerSuite

Created For:

Senior and middle managers

Emerging leaders

Business line supervisors

High potential employees

Principal consultants

Recent MBA hires

Management fellows

Anyone supporting management initiatives

Equip your management team with the tools needed to excel

Companies that experience enduring success understand the importance of nurturing and cultivating their middle management team and high potentials — because they are the future of the company. Developing a strong base of talent internally is a sound decision both financially and strategically. But these professionals need to be empowered with the proper tools as they are tasked with staying current on many business issues while developing their management and leadership skills.

ManagerSuite[™] from Books24x7[®] supports the critical needs of this management population as they focus on the strategic goals of the organization, as well as, their professional growth.

What is ManagerSuite?

ManagerSuite is an integrated offering of three different collections from Books24x7 that is geared towards the needs of supervisors, team leaders, managers, directors, high potential employees and fast trackers who are managing tactical projects, leading teams, mentoring subordinates, and driving measurable results. With highly trusted content authored by renowned authors, respected business gurus, top industry executives and notable consultants, the Books24x7 On Demand Platform supports a busy professional's preferred method for consuming information by providing the content on-line, in downloadable text format, and MP3 audio — all easily accessible from a PC or mobile device. ManagerSuite is the tool for the leaders of tomorrow.

Support Critical Initiatives

ExecSummaries

Quick insight into the thinking and best practices of today's thought leaders.

ExecSummaries[™] provides summaries of leading business books from today's foremost business authors. ExecSummaries expertly encapsulates the salient points and ideas of fulllength books into digestible summarizations while distilling the essence of the author's work, style and spirit. Designed for ease-of-use with short passages, bulleted lists and recommended readings, these thorough — yet concise — high-level overviews enable professionals to quickly grasp concepts to immediately incorporate the best thinking and practices into their own initiatives.

ExecBlueprints

Need-to-read best practices providing insight and guidance on pressing strategic issues.

ExecBlueprints[™] offers best practices insight on strategic business issues authored by leading industry executives who are regarded as demonstrated leaders in their field. Each article addresses a particular topic and includes three to five authors, thus providing diverse viewpoints. The ExecBlueprints articles are concise, actionable, and provide unique industry perspectives from a diverse author base that includes executives from Fortune 1000 companies, expert consultants, lawyers, and senior leaders from top global companies.

BusinessPro

Accelerate the acquisition of business knowledge and inspire professional development.

BusinessPro[™] is an essential tool for every corporate professional. This collection provides management professionals access to a large variety of business topics to increase business acumen, sharpen management skills and hone professional development. With more in depth coverage on business topics then any other resource, readers can instantly access the content they need in its full original context. Contributing publishers include AMACOM, John Wiley & Sons, McGraw-Hill, Berrett-Koehler, Harvard Business School Press, Jossey-Bass, MIT Press, Oxford University Press, and many other prominent business publishers.
